Aims and objectives

1. We aim to provide a safe, secure, friendly and caring environment for people with growing frailty

2. We aim to provide a top quality service that meets the identified care, nursing and social needs of our service users, we do this in an environment that feels like home

3. We assist older people to live lives as they wish, we provide the support to enable them to make choices dependent on their own abilities and interests

4. Personal care is tailored to the individual which is continuously being developed and re assessed and reviewed
5. We aim to ensure that our work force is fit for purpose and have the skill set, training and qualifications necessary to support the services users who live in the home this we do by appropriate supervision, training, education and personal development of our staff
6. We aim to comply with the requirements of the Regulated Activities Regulations 2009 and related regulations as amended and administered by the Care Quality Commission
7. We manage care in a holistic way and monitor health and medical problems proactively, ensuring that we involve outside practitioners where appropriate
8. We ensure that Service users and their families are treated with Dignity and Respect at all times and that we care for individuals even when they are dying
